

## INFO DOCUMENT T – AMERICAN FLAG DISPLAY

### 1 - AMERICAN FLAG ETIQUETTE

One flag at a time is allowed to be displayed – American Flag; Sport Flag; Commemorative Flag

There are specific rules and regulations that apply to the display of the American Flag. They are enforced occasionally, but normally most Americans know these items. One item that is particularly important is NOT to display the flag at night without a light on it (or a source of light nearby to illuminate it).
